

STOBAG

# BAVONA

Modular and flexible system  
with fabric or lamellas.

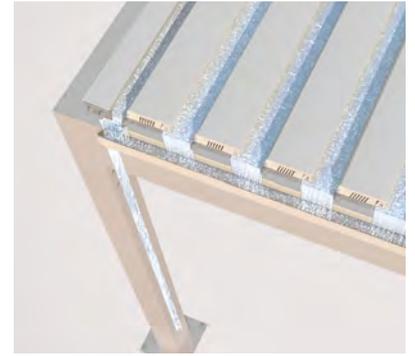

# BAVONA TP6800 HARD-TOP | TP6600 HARD-TOP | TP6100 SOFFIT

Hard-Top roof variant with aluminium slats

Hard-Top LED lighting

Guided drainage through support

## TP6800 Hard-Top

- All-day use thanks to highly rotatable slats (up to 160°)
- Achieve the ideal balance between sun and shade at any time of day
- Slightly open slats ensure natural air circulation (bio-climate effect)
- Timeless, cubic design language to suit any architecture
- Wide range of mounting options: freestanding, wall-mounted or soffit-mounted
- Standard motorised drive for automatic opening and closing of the slats
- Integrated, invisible water drainage through the supports
- Durable and weatherproof construction

### Options:

- Bi-colour version: slats in a colour of your choice, matched to the construction frame in another custom colour of your choice
- Fully integrated Tunable White lighting for atmospheric evenings
- Side/front shading protects against high winds, low sun and offers more privacy
- Side and front glazing protects against strong wind and driving rain
- Integrated power socket in the support
- Somfy Smart Home app
