# CAMABOX BX4000 | BX4700

Attractive cassette awning in cubic design

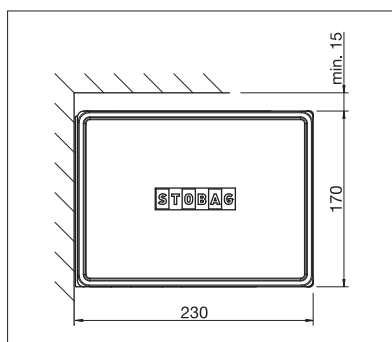

BX4700 with integrated Tunable White LED lighting

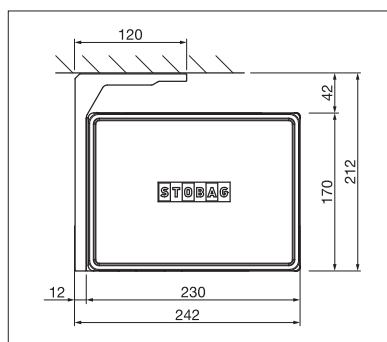

## CAMABOX – product benefits

- Cassette awning for shading medium to large areas
- Contemporary, cubic design
- Awning box protects the fabric and articulated arms from the elements when closed
- Integrated tilt joint ensures that the box closes perfectly
- Various mounting options: on the wall, under the ceiling or on the rafters (depending on the model)
- Flexible mounting options thanks to variable bracket positioning
- Awning inclination adjustable from 5° to 35°
- Optional wall connection profile for a direct, flush transition from facade to box
