# CAMABOX BX4000 | BX4700

Attractive cassette awning in cubic design

BX4700 with integrated Tunable White LED lighting

## CAMABOX – product benefits

- Cassette awning for shading medium to large areas
- Contemporary, cubic design
- Awning box protects the fabric and articulated arms from the elements when closed
- Integrated tilt joint ensures that the box closes perfectly
- Various mounting options: on the wall, under the ceiling or on the rafters (depending on the model)

- Flexible mounting options thanks to variable bracket positioning
- Awning inclination adjustable from 5° to 35°
- Optional wall connection profile for a direct, flush transition from facade to box

Integrated LED lighting in the box

BX4700 electronic Volant-Plus valance with Tunable White LED lighting on the front rail

## BX4000

reddot award 2017 winner

GERMAN DESIGN AWARD WINNER 2019

• Reduced, minimalist design
• Winner of the Red Dot Award 2017
• Winner of the German Design Award 2019

**Optional features:**
• Mounting on rafters with optional rafter brackets
• Integrated dimmable LED lighting in the box
• Drive via electric motor as standard; on request also available with manually operated hand crank

## BX4700

reddot winner 2022

GERMAN DESIGN AWARD WINNER 2023

**New, high-quality premium design:**
• Clearly defined lines and edges
• Magnetic locking technology on the side of the box ensures there are no visible screws and guarantees easy servicing

**Optional features:**
• Motorized lowerable Volant-Plus valance for low sun and extra privacy
• Tunable White: dimmable LED lighting, infinitely variable from cool to warm white, integrated in the box and/or front rail
• No visible screws when ceiling-mounted thanks to the attractively designed cover
